ENERGY

WHAT IS IT?

Need a quick instant energy boost? NVU Empowered™ delivers long-lasting natural energy that aids in healthy nerve and metabolic functions using the power of Vitamin B12-500. This will help you power through the day, while helping your body naturally convert fat, carbohydrates, and proteins into energy.

KEY INGREDIENTS

- Vitamin B12 - An essential daily nutrient that plays an important role in cell metabolism, nerve function and the formation of red blood cells.
- Purified Water - Serves to hydrate and naturally detoxify your body, while aiding digestion, and boosting athletic performance.
- Organic Peppermint - Has antibacterial properties and supports the body in improving digestion, concentration and muscle or joint pain.

DID YOU KNOW?

B12 is a key player in both the functioning and development of both brain and nerve cells. Using B12 daily in spray technology form, is easily and gently digested and 93% effective in absorption. This spray enables your body to quickly utilize its nutrients faster than other methods. Alternatively, pills and capsules are shown to have an estimated 15% and 25% absorption rate.
