

B-FIT

FAT BURNER

WHAT IS IT?

Ready to burn fat and give your metabolism a boost? NVU B-Fit™ is designed to support the body in naturally burning fat and boosting your metabolism by giving your body the nutrients it needs to reset, control cravings and achieve weight loss goals.

KEY INGREDIENTS

- Vitamin B3 - Is an important nutrient that aids in the functioning of the whole body, helping to keep your blood fat levels, digestive system and nervous system healthy.
- Selenium - Is a powerful antioxidant. These proteins are involved in supporting the metabolism and thyroid hormones.
- Vitamin C - Has been shown to help protect cells against free radicals, which helps reduce heart disease and other diseases.

VISIONU

DID YOU KNOW?

Vitamin B3 is shown to reduce blood fat levels. Using these vitamins daily in spray technology form, is easily and gently digested and 93% effective in absorption. This spray enables your body to quickly utilize its nutrients faster than other methods. Alternatively, pills and capsules are shown to have an estimated 15% and 25% absorption rate.

WHY YOU'LL LOVE IT

HOW TO USE IT?

1. Shake well before each use.
2. Spray directly into the mouth and hold 5 seconds before swallowing.
3. Take 1 serving (8 sprays) daily.
